Reaching the LOST , HELPLESS , HURTING and OPPRESSED

We are the Key rescuer to redeem Franklin Township and the whole Somerset.

“Drive up Revival Prayer” Friday July 17th  
at 7.00 PM (Key prayer points)

There are (4) four groups of people living in our community

1. Those with escalating social ills : \_ abortion, religious discrimination, racism, alcohol , drug abuse, human trafficking , gambling, gangs etc.
2. ***Those with special needs : \_physical and mental debilitation (with disabilities)***
3. Those that are : \_ hungry, thirsty, homeless, underprivileged, destitute , infirmed, incarcerated, widows and orphans.
4. ***Those who have no relationship with God , they are called the perishing , they are the most dysfunctional group in Somerset. They are lost and destined for eternal destruction.***

We must realize that **these** are our community and God has given them to us. In Joshua chapter 6 we have an intriguing story of the fall of Jericho v2 “ I have given Jericho into your hands” The battle was already won. God has given Franklin into our hands all we have to do is obey. How simple it is ! Please support this drive up REVIVAL Prayer. Ignite your passion for the lost !
